Representatives from Anton Insurance presented quotes to the Town Council for a lost earnings and death benefits policy for police reserve officers. This presentation was due to HB 1555 effective January 1, 2018 mandating all municipalities to insure reserve officers. No final decision was made by the Council until further information is gathered regarding the average number of reserve officers the Town employs.

A discussion was held on the 2018 Town budget as presented by the Clerk-Treasurer and Deputy Clerk-Treasurer. The Council did not make any changes to the proposed budget.

No further business coming before the Council, Scott Lehmann moved to adjourn the meeting. Mike Webber seconded the motion. All present were in favor and the meeting was adjourned at 7:30 p.m.
