

Ogden Dunes
2016 Community Garage Sale
Join In!

Date: July 23, Sat. rain or shine! There will be no rain date.

We now have a summer date since the beach ordinance has been extended through Oct 1.

Marshal Reeder & the police have offered to lift the beach parking restrictions for shoppers only on July 23 so that homes in this area can join in, too.

Beach restrictions will still be in effect for beach access parking.

*Maps of homes participating in the garage sale will be given to shoppers entering OD at the weekend guest stop (by the police station) to use as parking permits.

Time: 8-3:00

Cost: \$15 The charge pays for community signs on the fire station bulletin board, newspaper ads in the Gary Post & the Times, and printing costs for the *Join Us* notice w/ application and the maps.
Remaining funds will be donated to OD's Beautification Committee.
Last year a donation of \$500 was given to OD's Street Department.

Applications & more information about joining in the community garage sale will be available in June.
