Old Business

- **Boats/trailers revision** (Mike Teeling will submit a revision as a result of the discussions that we had at the last meeting. I believe we had come close to an agreement that the existing ordinance would be revised to allow boats (non motorized including canoes, row boats, kayaks) to be visible on the driveway or next to home during the summer season) and to allow boats on a single axle trailer (possibly limiting the length of the boat) to be parked on the driveway during the summer months.
- **Signage Ordinance** – at planning commission will be moving to town council.

New Business –

- Julia Hoham has suggested that we revisit the fines for tickets given to those who litter the beach. Julia will follow-up with the Marshall and check what the fine is at the National Lakeshore.

Public Comments - None

Motion to adjourn made and approved at: 744p. Next meeting will be Tuesday 12 September 2017, 7p.

Respectfully submitted: *Dr. Kenneth Thompson*, Secretary
