*Ogden Dunes spirit of volunteerism has been strong since the town incorporated in 1925. Our thoughtful citizens are dedicated to making Ogden Dunes a town to be proud of. This Volunteer Task Sheet is available to all townspersons as a way to ask for, and give time to one another. To post an opportunity: send detailed request to email above or fill out form at Town Hall. At any time, if you find you have even 15 minutes to spare, you will find a great way to spend it here. Once the task you chose is completed, be sure to send an email to the address above so that the task is crossed off the list, making room for more opportunities. YOU make a difference.*
