Old Business

- **Boats/trailers revision** (Mike Teeling submitted a revision (attached) as a result of the discussions that we had at the last meeting. We discussed the revisions. For B change to less than 16 feet, and add a weight of 45 pounds. Problem with weight is enforcement. We discussed number of trailers as having a vin, a plate. We then discussed sizes. Then number of watercraft **visible** should be added. We then discussed length. Dick worked on a revision, that is also attached (Ex 2). Motion to accept Yea 5 Na 1 as revised.

New Business –

- We then discussed leaving watercraft on the beaches and people leaving stuff over the beach grass creating potential erosion problems.
- Julia Hoham has suggested that we revisit the fines for tickets given to those who litter the beach. Julia will follow-up with the Marshall and check what the fine is at the National Lakeshore. She suggested a \$1k fine consistent with the national park. We tabled until Julia would be at the meeting.
- Dark Sky initiative – two fold - one to pressure NIPSCO to reduce shielding upward, the second issue relates to residential lighting which went to the town council which thought the proposed ordinance was excessive. Moved and seconded to table, Unanimously approved.

Public Comments - None

Motion to adjourn made and approved at: **826p**. Next meeting will be Tuesday 3 October 2017, 7p at the **Town Hall**.

Respectfully submitted: *Dr. Kenneth Thompson*, Secretary
