

General Code Review Committee Minutes 4-10-2013

Meeting begins 7:10

1. Previous meeting minutes reviewed and approved
2. A discussion of “staggered terms” for the Town Council took place involving the possibility of and the process entailed (section 31.03 pg 17) the committee agreed to research this subject further.
3. A “comment” line was added to the General Code Committee Recommended Change Form to be used when a suggestion is forwarded to the Town council. A discussion also took place regarding optional signatures from the Town Council on the form. It was agreed the form was to be sent to the Town Council President for review.
4. A discussion took place regarding the spending of Town funds by the Town Council and what the approval process is and might be and should individual spending limits be set.
5. A discussion centered on who has the authority to contact, therefore incurring charges, the town attorney.
6. It was agreed the future meeting dates, already set, would not change.
7. There was one resident in attendance. Resident comments “I believe the water bill should be itemized”
8. Meeting adjourned at 8:30
