NOTICE OF AREA CLOSURE

SUERENITY PARK

DATE OF CLOSURE: 12:01 a.m. November 14, 2014

All Town of Ogden Dunes ("Town") owned areas of SUERENITY PARK (south of Skyline Drive and north of Aspen Road) along with all associated access ways, paths, trails and parking spaces are CLOSED to public access, use or entry.

This area closure is to minimize disturbance to the Town's deer management activities and to prevent danger to persons during such times that active management, including culling, is underway. Concern for public safety is paramount.

This closure order is consistent with the Town's deer management program, as approved by the Ogden Dunes Town Council. This area closure expires 12:59 p.m. January 30, 2015.
