

**Agenda: General Code Review Committee –
Meeting January 8, 2019 – Hour Glass 7p**

Meeting will be at the Hour Glass, 8 Lupine Lane, due to scheduling conflict.

Approval of Minutes of October meeting

Old Business: Continuing discussion of two items -

1. Fire Works Ordinance - at least we should clarify the existing ordinance(s) due to ambiguity. The larger issue is whether we look at reducing the number of days for allowing fireworks over the 4th of July
2. Review where we are on the question of recommending a change in the Ward base election for Town Council.

New Business: Should we check our schedules to determine whether another day or another week is better for scheduling our meeting? Currently, we try to schedule our meetings on the 1st Tuesday of each month.

Public Comments:

Some Guidance - we have a couple of items that we have sent to the Town Council that have not been acted on. I believe the Cross-Walk ordinance recommendation, as well as the question of Visibility of Garbage Cans. Do we send a reminder or leave the issues to remain in limbo?
