Each participant is responsible to bring their homemade chili in a crockpot already cooked with a ladle and any condiments they would like served with their chili.

All ingredients must come from approved food sources so it's absolutely safe for human consumption (no roadkill).

Thickeners such as beans and flour are allowed, but canned chili or commercial chili mixes are not.

Participants will donate their chili to the ODHA Chili Cook-Off for consumption and sale that day, and are responsible for serving their chili at the event.

Participants are encouraged to decorate their area and themselves!

In the case of inclement weather, the Cook-Off will be held at the Ogden Dunes Fire Station.

Place form with payment, if applicable, in the ODHA mailbox by Town Hall.
