

Ogden Dunes Town Council and Deer Management Task Force Committee
Tick/Lyme Educational Seminar
May 30, 2012 – 6:00 p.m.
Ogden Dunes Firehouse

Town Council Members Present: Allen Johnson, Bill Gregory, Tom Clouser, Charlie Costanza

Town Council Members Absent: Paul Panther

Deer Management Task Force Members Present: Julie Doran, Dawn Moore, Bernadette Slawinski,
Allen Johnson

Guest Speakers:

Dr. Jennifer House, Zoonotic & Epidemiologist
Indiana State Department of Health

Bryan Price, Entomologist
Indiana State Department of Health

Assistants to the Speakers:

Jenny Harkel, RN
Communicable Diseases
Porter County Health Department

Connie Rudd
Director of Nursing
Porter County Health Department

The guest speakers listed above gave an in-depth presentation to the residents of Ogden Dunes and other guests which included but not limited to symptoms of lyme disease, personal protection at home, origin and transmittal and how to recognize the various ticks species. The message as to tick control was that a multi-faceted approach would yield the best results.

Literature was available at this seminar for the attendees.
