Reports

Permitting – Sandy

Save the Dunes

The next meeting is not until 5/1/24 as Save the Dunes attorneys expect to have many documents to go through.

The IDNR attorney is not going to ask for summary judgment. She will fight the case as the IDNR doesn't believe they did anything wrong.

GZA

We think construction can go through the winter if our weather is mild. The IDNR attorney says we can work above the ODHW mark, but Dan is concerned that working in some places could block access to the homes that need work below the ODHW mark. It might also increase costs since we would lose the economies of scale of doing the entire project at one time.

Resilient Coastal Projects Initiative – Allan

Ladders to beach – CJ

Litigation & Mitigation – Mediation session October 10. The next meeting with mediator is November 21.

Reconciliation - A letter has been prepared to go out to homeowners on the east end who have not paid the balance of what they owe. It is awaiting the approval of the Town attorney.

Community Comments/Questions

Issues on hold: gifts purchased for donors & request donations from residents.

The November meeting is cancelled. Our next meeting is scheduled for December 19 at 6:30 p.m. in the Community Room at the Fire House.
